Why a Truelux 5th Wheeler?

More practical than a motorhome

- no need to break camp to go shopping or sightseeing!

Safer and easier to tow than a caravan

- reduced sway and less overall combined length!

Advanced materials and design

- fibreglass foam sandwich construction is stronger and lighter!

Custom built luxury just for you

- your Truelux 5th Wheeler is especially customised for your layout, appliances,

fabrics, furnishings, colours themes and even built to your tow vehicle ride height - no compromises on quality!

The Truelux range of vehicles are built for all tow vehicles:

Twin Cab Utes, Patrol & Landcruiser trays, 1 tonne Falcon and Holden Utes, GMC, F250, F350, Iveco trucks.
